

Taipei Municipal Yangming High School

Invitation to School Day (Semester 1, Academic Year 2026)

Dear Parents and Guardians,

As a new academic year begins, our school will hold the School Day event on **Saturday, September 19, 2026**. This event marks the beginning of a dialogue between home and school. On School Day, homeroom and subject teachers will share their class management and curriculum plans to help you align with the teaching progress and effectively support your child's learning. Together, we can help our students achieve their academic goals, build positive habits, and develop sound life values.

Additionally, a dedicated counselor is assigned to the International Class to address questions regarding university admissions and future planning. You are warmly invited to face-to-face consultations on School Day, on Saturday, September 19. We look forward to seeing you and encourage your active attendance.

Wishing you good health, happiness, and prosperity,

Chin-Ying Hung, Principal

Chia-Wei Wu, Director of Research and Development

Yun-Chia Wu, President of the Parents' Association

Taipei Municipal Yangming Senior High School
