

Taipei Municipal Yangming High School (Senior High Department)

Student Dress Code and Appearance Regulations

2021 January 20th Approved by school assembly
2021 Year July 2th Approved by school assembly

Article I. According to:

- (1.) Handled by the Ministry of Education's letter No. 1090072127 of the dated 2020 year, August 3.
- (2.) Handling by the Department of Education, Taipei City Government letter No. 1093072541 of the dated 2020, August 6.
- (3.) Handling by the Department of Education, Taipei City Government letter No. 1103019404 of the dated 2021, January 19.

Article II. Purpose: Train students to dress appropriately, implement self-management of students, and make them learn to become promising young people with decent attire, outstanding temperament and good habits. After soliciting opinions from all parties, a uniform committee is composed of administrators, tutors, parents, and students to review and revise relevant regulations on uniform.

Article III. Type and Style of School Uniforms:

1. Uniform: Long (short) sleeve uniform top, long (short) pants, uniform skirt.
2. Sportswear: Long (short) sleeve sport top, long (short) sport pants, sport jacket.
3. Schoolbag: Standard backpack.

Article IV. Students Dress Code shall follow by the following principles:

1. Students can choose suitable ones, but under one of the following circumstances, they should follow by the uniform regulations of the school:
 - (1.) Important events, such as weekly meetings (morning assembly), opening ceremony, commencement, school's anniversary celebration, closing ceremony, field trip, extramural awarded or competition, international or exchange programs between schools activity, etc. should be neatly dressed in school uniforms to comply with etiquette.
 - (2.) During physical education class, students should wear school sportswear. Or with the consent of the teacher, students may wear appropriate sportswear to class (sleeveless sportswear is prohibited), However, students must change back to the required attire before the next class, and shall wear the sports shoes.
 - (3.) In order to maintain the safety of doing an internship or experimental courses, students should wear internship, experimental clothes, or the clothes approved by the school.
2. If students do not wear internship, experimental clothing or other clothing approved by the school, or violate the school's regulations of hair style when participating in an internship or experimental courses, the school may restrict or prohibit students doing the implementation of the course to prevent students' safety or health from being endangered.
3. Students can choose to wear school uniforms with long and short sleeves or long and short pants according to their personal feelings about the cold and heat of the weather. When the weather is cold, students can wear school uniforms and warm clothes (such as thick coats, scarf, beanie, gloves... etc.), do not expose or dress strangely, and bring the student ID card for identification.
4. Students shall wear leather shoes, sports shoes (rain boots on rainy days) during school time; without proper reasons, they are not allowed to wear slippers and barefoot. When it rains, students can wear casual shoes to enter the school, but they must change into sports (leather) shoes after entering the school to prevent injury without proper reason.
5. Schools shall not restrict students' hairstyles, except for preventing harm to students' safety, health and public hygiene or preventing the spread of diseases.
6. On national holidays, weekend, winter vacation, summer vacation, and self-study at school or participate in school work guidance, make-up exam, retake course, remedial teaching, students shall wear school uniform. Those who participate in other activities in the school must wear the clothes required for the activities. Students shall bring a certificate that can identify the student identity for inspection in the cases above.

Article V. Other relevant regulations:

1. Students shall wear uniforms, sportswear, commemorative clothes designed by the student association, or class and club uniforms approved by application when entering or leaving the school.
2. The student number shall be embroidered on the uniform tops and sportswear jackets at the specified positions.
3. The uniform and sportswear's color and style must conform to the established specifications of the school.
4. During school time, students can wear club uniforms and class uniforms approved by the school. The approved procedures are determined by the student affairs activities section (club uniforms), guidance and counseling section (class uniforms). After reviewing the style of clothing (word of Yangming, YM or school badge is required) and filling the application form is approved, students can wear it in the school.
5. Students shall follow the principles of cleanliness, health, and naturalness in their personal hair style and appearance during school time, entering and leaving the school. Be a great self- learning and self-management student.
6. Students can wear ear acupuncture (sticks) as needed. But for their safety, they are not allowed to wear drop earrings or do the nail art. It is not encouraged based on educational standpoint and safety considerations.

Article VI. Persuasion and treatment of violations: For students who violate the regulations on clothing and appearance, the appropriate and proportional counseling or discipline measures may be taken by different circumstances. And shall not be punished. The discipline measures mentioned in the preceding paragraph are limited to positive discipline measures, verbal corrections, inclusion in daily life performance records, notification of guardian assistance in handling, written self-reflection, and sit quietly for self-reflection.

Article VII. This regulation shall be in effect after approval by dress code and appearance committee meeting and school assembly. Same procedure shall apply for future revisions.
